ABOUT ZUBI INSTITUTE OF HEALTH CARE COURSES

Zubi Institute of Health Care Courses, Bijnor Haridwar Road Mandawar, District Bijnor Uttar Pradesh is run under RVNP affiliated by Mangalayatan University Aligarh Uttar Pradesh and NSDC Zubi Institute of Health Care Courses is a best and top institute in Bijnor region which deliver quality education for healthcare courses. Zubi Institute of Health Care Courses is on a mission to create skilled and efficient manpower in allied healthcare to build a healthier India and we are working towards it.

Healthcare has become one of India's largest sectors, both in terms of employment. Healthcare comprises hospitals, medical devices, clinical trials, outsourcing, medical tourism, health insurance and medical equipment. The Indian healthcare sector is growing at a brisk pace due to its strengthening coverage, services and increasing expenditure by public as well private players. Effective health services need paramedic / Healthcare workers who provide clinical services to patients under the supervision of a physician.

Zubi Institute of Health Care Courses Skill Programe will help medical field developments. The responsibilities of the community in health have more importance which should have trained health specialists along with workers and technologists and should be well equipped to give specified remedies for day to day illness.

The Zubi Institute of Health Care Courses is promoting paramedical courses and health education in the state also creating a blend of well trained Para Medical personnel. Our courses are job oriented. Zubi Institute of Health Care Courses provides a unique combination of opportunities, excellence, choices and experiences.

The Institute is committed to offer quality paramedical & health education to the students to tackle the matter of dearth of skilled manpower in allied Health Sciences. The education imparted by will prepare its students for an exhilarating and gratifying profession as medical specialist. We have associations with super specialty Hospitals, Clinics and Diagnostics Laboratories etc across the globe.

AIMS & OBJECTIVES OF ZUBI INSTITUTE OF HEALTH CARE COURSES

1. To expose the benefit of paramedical science.
